T.A.S. PRODUCT WARRANTY

T.A.S. customers are guaranteed protection and satisfaction under this product warranty. We guarantee our products to be free from defect in material and workmanship and to be interchangeable with the equivalent products of the original equipment manufacturer. We will replace free of charge, F.O.B. Italian port, any piece of our manufacture which we believe to be defective in material or workmanship, provided it was properly installed and used in normal operation. Under no circumstances will we recognise claims for labour charges or consequential damage: our liability being limited to the substitution of such pieces as we deem defective. No pieces should be returned to us for inspection prior to receiving our written authorisation.

IMPORTANT NOTICES

The data listed herein is correct to the best of our knowledge and belief, having been compiled from reliable and official sources of information. However, we cannot assume any responsibility for possible errors.

Your enquiries for any types of GEARS not included in this catalogue are invited. The manufacture of any such gears will be contemplated provided the quantity involved proves to be a sufficient justification.

All original equipment manufacturers' names, numbers, symbols and descriptions used in this catalogue are for reference purposes only, and it is not implied that any part listed is the product of these manufacturers.
